## Staying COVID-19 Secure in 2020

We confirm we have complied with the government's guidance on managing the risk of covid-19

### **Five steps to safer working together**

- We have carried out a covid-19 risk assessment and shared the results with the people who work here
- We have cleaning, hand washing and hygiene procedures in line with guidance
- We have taken all reasonable steps to maintain a 2m distance in the workplace
- Where people cannot be 2 m apart, we have done everything practical to manage transmission risk
