## THE VERMONT EXPERIENCE

---

A wedding at the Vermont offers you much more than iconic surroundings. Your dedicated wedding coordinator will guide you through the process of organising every detail from tasting the menus to table arrangement.

A red carpet will welcome your guests to a sparkling drinks reception in the refined surroundings of the Redwood Bar, after which the toastmaster will guide the party to your bespoke wedding breakfast.

The Sky Lounge and its Terrace, which at 200 feet above the city streets offer stunning panoramic views, will be available to you for your photographs. Later on in the evening you will have the opportunity to freshen up before your reception begins.

After your reception you will be free to retire to the privacy of your complimentary suite. A full English breakfast for yourself and your friends and family awaits you the next morning.

Our good wishes will last with you a lifetime, and we hope you will join us again on your first year anniversary to enjoy a Champagne dinner courtesy of the manager.

# THE SKY LOUNGE

The crowning glory of the Vermont at over 200 foot above the city, the Sky Lounge and its Terrace are our most sought after spaces. High above the rooftops of Newcastle the room is bright and airy, enjoying superb panoramic views across the iconic skyline.

These rooftop spaces benefit from the special attention of a dedicated team of staff, thus ensuring an extra special, private yet relaxed setting for both ceremonies and receptions.

## The Sky Lounge

The Sky Lounge itself is a full suite of rooms which occupies the top floor of the Hotel. Adorned with decorated damask wallpapers, swagged curtains and baroque flourishes reminiscent of a time now past, the setting is completed by the unique city vista over which the Lounge looks. Ideally suited to any kind of event, the Sky Lounge is furnished with its own bar and ante-rooms.

## The Roof Terrace

Guests will move through the Sky Lounge onto the Vermont's roof terrace. The perfect place for wedding photographs and drinks in the day, and as the evening draws on you will find it the ideal spot to relax, chat and celebrate.

The Assembly Room is a beautifully proportioned antechamber to the Ballroom itself. It can be used in its own right for receptions and dinners, or as an adjoining space for worn out guests to relax during your wedding reception. It has the benefit of a fully stocked bar, and is decorated throughout with soft colours, reflecting the art-deco theme of the Ballroom next door.
